

CCDC April Newsletter

A Note from the Directors

Spring will hopefully be in the air soon! The children are so excited that they can begin going outside to run around and get their winter time wiggles out. The children had fun with St. Patrick's Day, Easter, and our Beach Party last month. Thank you to all of the parents that helped and brought in treats! The children really enjoyed them!

For staffing purposes and due to high enrollment we are going to require that the children are here before 10 a.m. If they are not here by then, they may not be able to stay for the day unless you have made prior arrangements with Rebecca or Meghan directly. If they have not received your schedule a week ahead of time, your child may not be able to attend on days that they are not previously scheduled. If you would like your child to attend on an extra day, you must call ahead of time to see if they can come.

Please keep bringing in bottles and cans for our drive to support the relay for life and the fight to end cancer. We are doing great so far, let's keep it up!

This month we will be having our Spring Open House on April 25th (W. Seneca) and April 27th (Tonawanda) from 6pm-7pm. This is a great time to come talk to your child's teacher about their progress throughout the year.

On a personal note, Rebecca and her husband are very excited to share that they are expecting their first child, a baby girl in mid-September. 😊

If there are any problems or questions you have please feel free to call at any time.
